Activities Report
July 2022**

Riverfront Rendezvous: The three-day celebration went off without any major EMS incidents at the park.

Firefighter/ Paramedic Shane Westphal ran the "Family Fun Safety Day "on Saturday at Riverfront. Each child received a safety passport which was stamped when they completed each safety activity. When the passport was fully stamped, and the passport was turned in the child received a prize.

Stevens Point Explorer Scouts and Mid State EMT Basic students helped run each safety activity.

Ride-along: Mid State Technical Collage EMT Basic students have been doing ride-along with our Medics. They should be done before the end of August.

Swift Water Rescue Training: 12 personnel participated in swift water rescue training. At this time over half of our department is trained in the swift water rescue discipline.

Bike for Boys and Girls Club: Participated in providing a help with the "Bike for Boys and Girls Club" event on July 16th.

Respectfully submitted,
