April 6, 2023

Mayor Mike Wiza
City of Stevens Point
1515 Strongs Avenue
Stevens Point WI 54481

Mayor Wiza:

I am interested in the opportunity to hold a position on the Stevens Point Parks Commission Board. I have been a lifetime resident of Stevens Point and have devoted most of my adult life to the improving community awareness and usage of the parks within our great city. I would like to discuss a few of my experiences that I feel would make me a valuable member of this commission.

Here are some of the highlights:

- I have been a part of Zenoff park since inception in 1987. In recent years, I was the Vice President and am current President of the Stevens Point Softball Association.
- I assisted with a major renovation to improve the fields at Zenoff Park to make it the premier softball facility in Central WI.
- I work closely with the City Parks Director and Superintendent to maintain and improve Zenoff Park.
- I have been a member of the Community Parks Improvement Committee for the last 10+ years and am an integral part of their largest fundraiser – The Sentry Classic.

As you can see, my dedication to this community is strong. I have a passion to make this city a place for families to set their roots and a destination that visitors will enjoy. Thank you for taking the time to review my application. Please contact me with any further questions.

Sincerely,

Matthew Disher

Boards, Commissions, &
Committees Application

Hello, Stevens Point City Council, Mayor, and Staff:

For those of you that I haven't met, my name is Heidi Oberstadt. I served for four years as Alderperson for District Four, starting eight years ago. Now that I'm out of the time-consuming part of my life that was caring for my sick FPIES baby, and that baby is starting Kindergarten at Madison in the fall, I'd like to dip my toe back into public service.

Please consider me as a commissioner for the Transportation Commission. I'd like to help my neighbors and our community by serving in one of the citizen positions. My resume is attached. Please let me know if you have any questions!

Thank you in advance for your consideration.

Heidi Oberstadt

524 Bukolt Avenue | Stevens Point, WI 54481

(c) [REDACTED] | [REDACTED]

Heidi E. Oberstadt

524 Bukolt Avenue | Stevens Point, WI 54481

(c) [REDACTED] | [REDACTED]

Objective

To leverage my skills to further improve communication, educate and empower individuals to perform at their most effective and confident level, continue to encourage change in the current culture, invite and engage new and diverse people, and work with relevant industries to welcome and further create a community.

Summary

- A friendly, determined, insightful, and detail-oriented professional, with recent hands-on experience with several large organizations.
- Self-motivated and accountable problem solver with the ability to work remotely: alone and with others.
- Very authentic presentation style, driven by a caring and observant background in education.
- Communicates in a transparent and vulnerable style, showcasing genuine moments and encouraging connection.
- Works well under pressure, with excellent interpersonal skills, and the ability to form relationships quickly.
- Widely known for an optimistic attitude, upbeat personality, and energetic lifestyle.

Virtual Communication: GoToMeeting, Zoom, MentiMeter

Work Experience

heidi oberstadt media/Photographic Memories by The Oberstadts | Owner, Operator,
Photographer
Stevens Point, WI

January 2008- present

I work as both a communication consultant and photographer, helping my clients find their voice within their respective industry and creating the content they need. The content creation component involves both copywriting and visual communication. My experience with volunteer operations assists me in volunteer organization and management. The media side of the business involves capturing images and performing other photographic services, both portrait and commercial. I work efficiently and effectively, not only in my studio and during preparation, but at on-location shoots across the country. I produce creative and consistently high-quality products for my clients, often under a short timeline. I am independently motivated and

dedicated to furthering my craft by playing on my strengths and improving my weaknesses through advanced education.

*University of Wisconsin- Stevens Point | Division of Communication Adjunct Professor
Stevens Point, WI
August 2019- June 2022*

I teach undergraduate students the principles of public speaking and oral communication, including sharing techniques for competency and comfort: including assessing their progress and providing constructive feedback, encouraging them consistently. I design and implement lesson plans and guided group workshops and activities, both in person and online.

*City of Stevens Point | District Four Alderperson
Stevens Point, WI
May 2015- August 2019*

I worked with a team of individuals to form our city council, where we created policy for the city. I followed and created agendas to work within a strict legal framework, but we also acted quickly on issues that arise with little or no warning. I served as an advocate for the people of the 4th District to make sure that the needs of our neighborhood are considered when citywide decisions are being made. I was the city liaison to the University of Wisconsin- Stevens Point Campus Bicycle and Pedestrian Planning Task Force and the Cultural Commons Planning Committee. I served on the Board of Public Works, the Board of Parks and Recreation, the Committee for Affirmative Action/Fair Housing, and was the Vice Chair of the Personnel Committee and Chair of the Public Protection Committee.

*University of Wisconsin- Stevens Point | Communication 101 Instructional Assistant
Stevens Point, WI
August 2016- May 2018*

I taught three sections of undergraduate students the principles of public speaking and shared techniques for competency and comfort: including assessing their progress and providing constructive feedback, encouraging them consistently. I designed and implemented lesson plans and guided group workshops and activities.

*Trout Unlimited | Women's Membership Coordinator
Stevens Point, WI
November 2013- October 2014*

I worked in a contracted position to increase gender diversity within this volunteer-based conservation organization. I collaborated with existing staff to put on meetings and presentations, and worked within the member database to correct errors. Communication with chapters and councils was key to help encourage the creation of a welcoming atmosphere for new members, and I worked on an individual basis to help encourage minority members to step into leadership.

Recent Volunteer Experience

Monteverdi Chorale Board Member (2020-2023)

I assist with promotion and marketing of this organization, as well as event planning. We work to plan organizational communication and prepare the best attendee experience that we can!

Trout Unlimited Midwest Regional Diversity Chair/Wisconsin Women's Initiative Committee Chair (2012-current)

I have been with the Women's Initiative since it began in Wisconsin in 2012. Encouraging the growth of our female membership is now a regular topic of board meetings across the state, and chapters are hosting women's events on their own. We have several Women's Initiative chairs at the chapter level, and we now have two separate women's fishing clinics each year within our state. I also volunteer on the banquet committee, and travel within our region to visit as many chapter events and women's events as I can to provide support. I connect members across the Midwest with resources assisting in diversification of our chapters and councils.

Trout Unlimited Frank Hornberg Chapter Membership Chair (2014-current)

I'm currently working to help our struggling local chapter grow our membership and engage our current members. Our recent wins involving teaching the leadership how to use the bulk email tool, hosting a non-work day social event, and procuring a new meeting location.

Central Wisconsin Symphony Orchestra Board Member

Due to conflicts with my elected position schedule, I often attended committee meetings more frequently than general meetings and assisted with promotion and marketing of this organization. I frequently donate my services as a commercial photographer for events and concerts, as well.

Photo/Video Team Supervisor for Life! Promotions

I supervise a team of 14 photographers and videographers for a multi-day concert festival. I work with festival staff to ensure a safe environment for our shooters to work around pyrotechnics and other show logistics. I create the shooting schedules and pair up teams to work together, as part of our mentoring program. As a team, we cover the event, edit our footage, and put together a recap video for the jumbotrons before each night's headliner. This process requires long hours, perfect timing, and demonstrated professionalism by our whole team.

Photographer for Wisconsin DNR

I donate my time around once per summer to help our DNR staff by capturing images from streams during fish shocking and water flow measurements. These photos have been used by many organizations within our state (Wisconsin River Alliance, Central Sands Water Action Coalition, Friends of the Tomorrow River, Friends of the Central Sands, Friends of the Little Plover River) to illustrate the conditions of our streams and lakes.

A brief bio....

Chris Tiffany, born in Vesper WI in 1991 lived in Central WI and MT primarily growing up, many a night spent at the local Point library for Knitting guilds. Graduated Homeschool class of 2008, attended UW-MC and MSTC where he started his IT company now known as Sprinter IT, currently employing nearly 40 employees and over the last 13yrs has had retail facilities in Stevens Point, Wausau, and WI Rapids.

Having sold the retail off and getting married this year to UWSP Alum Jenna Tuma, Chris and Jenna relocated to Stevens Point last year buying a beautiful home on the southeast side. Having traveled coast to coast continually Chris looks forward to continuing to settle into Stevens Point and getting further involved in local and regional organizations and the community. Looking to be more involved and bring a level-headed detail oriented fair approach to all I do.

Signed,

Chris Tiffany
