

Our intention is to have in-person meetings going forward. For the time being, we will hold the City Committee Meetings, Plan Commission, Council and most others at the Community Room at 933 Michigan Avenue. This in-person location will meet the legal requirement for our open meetings.

We will have a virtual option available, but the technology for the hybrid style meeting may not be reliable all of the time.

Subject: Requisitioning out-of-state travel for Assistant Chief Gemza

Please consider the following request for out-of-state travel for the Stevens Point Fire Department.

Annually, we budget for training and travel related to continuing education, including Fire and EMS educational activities, safety related courses, and professional organization annual conferences. The EMS Summit annual conference is being hosted in Tucson, Arizona and is typically attended by EMS Chiefs from around the nation.

The Summit and travel for Stevens Point Fire Department staff will be covered for these courses and conference. We are however anticipating a one-night hotel cost due to an air travel issue the last night.

We respectfully request permission to allow out-of-state travel for purposes related to this educational experience, that can be accommodated within department budgets and as approved by the Chief.

Professionally,
